

## The Parent Connection

Guide for: ***Tamar's Sukkah*** by Ellie Gellman

**Child's Name**

**Date Completed:**

### **Understanding the Story**

1. What did the cooperation in the Sukkah project teach us about celebrating Sukkot?
2. Name the things needed to make the holiday special.

### **Words to Watch**

1. Sukkah: temporary booth used by Israelites while wandering in the desert.
2. Baruch Atah: Blessed are you.

### **Jewish Concepts**

Giving thanks for the food with the blessing in the prayer book, welcoming others to share.

### **Beyond the Book**

Remember being a guest at friend's home when you had a good time and discuss the reasons.

How could you make a guest welcome in your home?

### **Complementary Activities**

1. Make a list of things needed to make a model sukkah. Create a model sukkah with cutouts and decorations.
2. Make a little holiday celebration with your friends and family.
