Jewish Concepts

Learning about places to visit in Israel helps us understand our Jewish history and heritage.

Beyond the Book

Name two places in Israel you would be most interested in visiting.

Complementary Activities

1. Find Israel on a globe or map of the world. What continent is Israel in? How far away is Israel?
2. Find a family member or friend who has gone to Israel and ask them to describe their favorite place that they visited.
3. Plan your own trip to Israel sometime in the future.
4. If you liked looking for Zvuvi and Zahava, you might also enjoy the "Where's Waldo?" series of books.
