

Taste Safe Slime Recipes

pudding Slime

Ingredients:

¼ cup instant pudding mix (any flavor)

1 cup cornstarch

⅓ cup very warm water

Mix the pudding and ½ of the cornstarch. Be sure to break up any clumps. Add the water slowly while mixing with a whisk. Add the remaining cornstarch. Knead with your hands until the slime is smooth and all the cornstarch is incorporated.

Notes:

- The consistency of this slime is like very soft play dough.
- Add a few drops of cooking oil to make it more stretchy.
- Try different ratios of the ingredients to find the texture you like best.
- Try different flavors of pudding to create different colors and scents.

Honey Slime

Ingredients:

2 T honey

5-6 T cornstarch

½-1 T cooking oil

Heat the honey in the microwave for about 20 seconds.

Mix in the cornstarch 1 tablespoon at a time until the mixture is no longer sticky.

Knead the mixture with your hands and add cooking oil until desired consistency is reached.

Notes:

- The consistency of this slime is like putty.
- Try different ratios of the ingredients to find the texture you like best.
